Buckham Gallery's September exhibition, Intimate Knowledge, will highlight the work of two married couples: custom woodworker Keith Fulmer and installation artist Mara Jevera-Fulmer of Grand Blanc; and photographer Darryl Baird and digital artist Janet Lorch of Fenton.

The collection draws upon the challenges, benefits, support and inspiration between couples as working artists -- how they collaborate, motivate each other and still remain true to their individual visions.

The opening reception for Intimate Knowledge will be from 6 to 9 p.m. Friday, Sept. 10 at Buckham Gallery, 134 1/2 W. Second St., Flint.

This event is in conjunction with the Second Friday ArtWalk downtown and refreshments will be provided.

Normal gallery hours are from noon to 5:30 p.m. Tuesday through Friday and 10 a.m. to 3 p.m. Saturday. The Intimate Knowledge exhibition will run until Saturday, Oct. 2.

Gallery admission is free; donations are accepted. For more information, call (810) 239-6233.
